  - *We recognise that children by virtue of legal status and dependency on adults for their emotional and physical needs will always be vulnerable and at a disadvantage. We commit to considering this in our children's activities—undertaking supervision of staff working with them and risk assessing activities and groups as a check and balance in our work.*
  - *We understand that illness, disability, race, mental health and other issues can put adults in a position of vulnerability. We accept that these can be long term (ongoing), or temporary. We commit to considering this in our adults activities and events – undertaking supervision of staff and risk assessing activities and groups as a check and balance in our work.*
